ABOUT US

Operation: Heal Our Heroes is a veteran-led nonprofit organization dedicated to supporting the mental health and well-being of those who have bravely served our nation. HOH was founded to confront the growing crisis of veteran suicide and post-traumatic stress, with a mission to ensure no hero is left behind. Through education, advocacy, and access to quality mental health care, HOH empowers veterans to transition successfully into civilian life. The organization also builds strategic partnerships to help deliver the critical care and support our military heroes and their families deserve.
